Verbal statements, comments, or responses provided by Agency representatives shall not be binding and shall not be relied upon by Proposers unless confirmed through a written addendum issued by the Agency.

3. Clarification of Question and Response Deadlines

The Agency has identified conflicting dates within the RFP documents and Public Notice regarding the deadline for submitting questions and the issuance of responses.

Specifically:

- Page 4 of each RFP states that questions are due July 21, 2026, and responses will be issued by July 28, 2026.
- Page 5 of each RFP (Schedule Table) states that questions are due July 20, 2026, and responses will be issued by July 27, 2026.
- The Public Notice also states that questions are due July 20, 2026, and responses will be issued by July 27, 2026.

To eliminate ambiguity, the following dates shall govern and supersede any conflicting dates contained elsewhere in the RFP or Public Notice:

Milestone	Date
Deadline for Submission of Questions	July 21, 2026
Responses to Questions Issued by Agency	July 28, 2026

All references to July 20, 2026, as the question deadline and July 27, 2026, as the response date are hereby deleted and replaced with the dates above.

4. No Other Changes

Except as expressly modified by this Addendum No. 1 – Administrative Clarifications and Schedule Updates, all terms, conditions, requirements, submission deadlines, evaluation criteria, and provisions contained in the RFP remain unchanged and in full force and effect.
